

Member-Get-A-Member Discount

If an existing OGS Member brings in a new Individual Member, both the existing and new Members will get a \$5 discount on the membership fee.

The new membership application has to come by mail – you cannot use the online registration. Print this form and the membership form. Fill out both forms and mail them with the fee less \$5. We will hold the forms and apply the discount for the existing Member at the next renewal. If the existing Member renews online, he/she will appear to be charged the full fee. We will either reduce the credit card charge or send a refund from the Provincial Office.

An existing Member who brings in more than one new Individual Member will get more than one \$5 discount.
